

FHT Pharmacist Conference

Working with your community
pharmacist partners
Tom Kontio RPhm, CDE

Evolution

- New concept in our area, first site
- Dealing with misconceptions
- Promoting collaboration to FHT
- Communication vs Information?
- Confidentiality vs patient benefit

Role Evolution

- Personal relationship with other PHM's
- Concentrate on areas for improvement of care vs what is happening now
- Community perspective very useful
- Slowly and surely wins the race

Collaboration

- MedsCheck
- Updating the EMR
- Prescription renewal process
- Pt and Comm.Phm't advocate at FHT site
- Communicate via Email and Phone
- Joint CE for patients (clinic days etc)

Future of the Relationship

- Community referral
- Self referral by patient
- Working together vs Silos
- More joint events
- Medicine cabinet clean-up
- Direct communication to patient EMR?
